Annual Medicare Newsletter

Annual Enrollment Period

It's that time of the year again...

Sometime in early October, you'll be receiving an **Annual Notice of Change** letter from your current insurance carrier

- This letter will review any changes that might occur in your current plan
- The top part of the letter provides a summary of changes between this year's and next year's benefits

The Annual Enrollment Period for Medicare runs from October 15th to December 7th

- If you're **happy** with your plan, **YOU DON'T HAVE TO DO ANYTHING** and it will automatically renew on January 1st
- If you'd like to **learn and discuss different options**, please contact my assistant, Julie, via phone or email to schedule an appointment with me or to reserve a spot at one of my in-person seminars listed below. I look forward to serving you in 2022 and beyond!

You can contact Julie at
